MISSION STATEMENT

At Oaktree Funding Corporation, our goal is to provide home loans to all people while providing them with the lowest interest rates and closing costs possible. Along the way, we seek to treat all customers with the dignity and respect that we ourselves would expect and demand under similar circumstances. Our loan officers will be qualified professionals with a thorough understanding of the mortgage business who value honest and fair practices. At Oaktree Funding Corporation, we are well aware of how important it is to give top-notch service. We are a family owned and operated business that seeks to help you and your family with any mortgage need. Over the years, we have built a strong foundation of loyalty between our customers and us. Repeat business and referrals from previous customers have been the backbone of our business. We promise this high quality service to every customer, and we thank you for giving us the opportunity to serve you.
